

Achával-Ferrer™ has one single passion: to craft world-class, terroir-driven red wines from Argentina. Achával-Ferrer produces the most critically acclaimed Malbecs from Mendoza, sourced from single vineyards with low-yielding, old grafted vines.

2015 MALBEC

The textbook definition of Malbec. Bright ruby red in color, this wine is fresh and balanced. The nose and palate feature blackberry, raspberry and plum mixed with notes of fresh tobacco. This wine is full bodied and rich with silky tannins and a lengthy finish. Low yields, careful vineyard management and low intervention winemaking are the hallmarks of this and all other Achával Ferrer wines.
